

MURPHYS **ERUN**

the
MURPHY'S

For he saith, I have heard thee in a time accepted, and in the day of salvation have I succoured thee: behold, now is the accepted time; behold, now is the day of salvation.)

Jesus saith unto him,
I am the way, the truth, and the life:
no man cometh unto the Father, but by me.

John 14:6

HAND IN HEAVEN

Jay Murphy

I love my life Sharing the Lord
I'm in the fight Word is my sword
Seeking the lost To get them saved
Counting the cost Got to be brave

Sometimes it's hard I cannot lie
It can be tough I can't deny
Ready to go For what it's worth
I got a hand in heaven And a foot on earth
I got hand in heaven and a foot on earth
Been a long fight since my rebirth
Reaching for the lost with my eye on the sky
Longing for the trumpet when I'll leave this world behind
Don't get me wrong, I got to get to work
But I got a hand in heaven and foot on earth

I feel like Paul Ready to go
But needed here This I know
I am not weary I am not faint
Just thinking clearly Of where I ain't
I have a home I haven't seen
My Lord is there Waiting for me
To know my passion Don't have to search
I got a hand in heaven And a foot on earth

I'M YOURS

Jay Murphy

Here I am on my knees
Begging please, Please help me
I cannot do this on my own
Lift me up, Make me whole
I've made a mess going my way
There's nothing else that I can say
But...
I'm yours, I'm yours
Only you can get me through
So I give my life to you
I'm yours, I'm yours
As imperfect as I am
Make me new and whole again
I'm yours

All I do can't make the pain
Go away, Go away
I'm on my face and I'm crying out
Erase my guilt, Erase my doubt

I need the warmth of your embrace, Jesus
I need your mercy and your grace

There is no hope without you Lord Jesus
I know you are the only One that can save us
You have my heart, You have my soul
I give to you complete control

I'm yours, I'm yours
Hear my heart and hear my plea
I need you to rescue me

RUN

Jay Murphy / Don Stiles / Abigail Murphy

The thunder in the distance
Seems closer than before
And all around is violence
Hearts rotten to the core
Living lives in unrighteousness
Who are they living for?
Jesus said a storm would come
Judgment of the world
As in the days of Noah
When God shut the door
The warning signs are everywhere
Telling us to run
You got to

Run
Run to the Door
Jesus is calling
Run
Step into the Ark
Before the Door closes

There is an ark...Salvation is here
And Jesus is the door
Call his name...before it's too late

Or be lost evermore
He's standing with his hands stretched out
As the rain begins to pour
Sayin' to...

It's almost here, no time wait
Everybody get on board
He's calling now, you've got to decide
Before he closes the door

*Father in the mighty name of Jesus
The time is short oh Lord
But the time is now God
If any man will enter
He must go through Jesus
He is the Door
Come before it's too late*

You've got to run Get on the ARK
It's getting late No time to wait
You can't ignore Jesus is Lord
He's calling you What will you do

IT TOOK THE BLOOD

Mike Owens

Without blemish, without spot
Jesus did what I could not
When he shed his blood upon that rugged cross
He paid a debt he did not owe
to make a place where I could go
And without his precious love I would be lost

It took the blood of the Lamb
He bore the nails in his hands
To save my soul and rescue me just as I am
If upon this Rock we'll stand
He will take us to that land
Where we'll sing "It took the blood of the Lamb"

He will hear your sweet confession
And he will make your intercession
With the Father who sent his only Son

If you will give him your affection
He will bless your resurrection

And you'll hear the Master say "My child, well done"

He will hear your feeble plea
And in love he'll intercede
Give you life and take away your sin

He will heal your broken heart
You can make a brand new start
and by his grace find sweet peace within

NOT AFRAID OF THE DARK

Jay Murphy

When darkness fell Was scared to death
Something evil Lurked under my bed
I'd scream till dad Turned on my light
He said boy I'm here Don't be afraid of the night

I'm grown man now And I have to say
Darkness surrounds us Every day
But our God is big And he came to say
You don't have To be afraid
I'm not afraid of the dark anymore
I'm not afraid of the dark anymore
Standin by Jesus' side
I won't walk alone in the night
I'm not afraid of the dark anymore

He's like a roaring lion Seeking to devour
Devil wants us all To be under his power

We're in a full-on fight But the devil should know
It's been over since My Jesus arose

I'm not afraid of the dark anymore
I'm not afraid of the dark anymore
The victory was won
When God raised up His Son
I'm not afraid of the dark anymore

So try your best You wicked snake
Fiery judgment For you awaits
I'm sure you laughed The day Jesus died
But he called your bluff And rolled the stone aside

I'm not afraid of the dark anymore
I'm not afraid of the dark anymore

Satan, you cannot have me
Cause Jesus set me free
I'm not afraid of the dark anymore

YOU ARE MY LIFE

Jay Murphy

Where 2 or more are gathered in Your name
There You are in the midst of them
Now here we are
We're for You Yeah

We hear Your Word and we lift our hands
And we feel Your Spirit move within
Now here we are
We're for You Yeah

You're the Truth and the Life
The Door, You're the Way
Through Your power and Your might
You took my sins away
You're everything to me
You are my life
I am glad to go to the house of prayer
Where Your children always seek You there
And You'll always find me there Yeah
I need Your touch and I need Your hand
You are my hope and You are my friend
And I'll always find You there Yeah

Where else could I go
Who else could save me
You are my everything
You are my life

My debt is fully paid
You hold the words of life
You are my everything
You are my life

DRAW ME CLOSE

Jay Murphy / Abigail Murphy

Draw me close to You Lord
I need Your hand each day O Lord
I can't walk, and I can't think
I can't talk, and I can't breathe
Without You Lord

Lift me up and help me stand
Grow in Your Word a better man
Through Your grace, through Your might
Through Your power in my life
To please You Lord

Can I sit at Your feet and close my eyes
Take in the words that bring in new life
With each breath I take
I feel You growing deep inside
Draw me close to You

Take all of me Oh take all of me
Till You're all anyone can see
Less of me and more of You
Let Your Holy light shine through
Draw me close to You

Can I lay my weary head upon your chest
Oh to hear Your heart beat there I'll find my rest
Every time I am with you
It feels like I'm closer to home
Draw me close to You

Draw me close and I'll run to Your side
There's no other who can fill me up inside

JAY MURPHY: First and foremost, I want to thank my Lord Jesus for all he has and does for me. I thank him for saving me through his shed blood at Calvary. I can do absolutely nothing without him. Thank you Jesus! Second, I want to thank my wonderful wife (Sherrie ❤️) for all she does. She loves the Lord and is his faithful servant. I thank the Lord for bringing us together and giving us a life together. Oh, and I thank her for putting up with me too. I love you more than words can say. Next, I want to thank Abigail for making me look good. That girl can flat sing. Always stay with God, never compromise, and always make pleasing Jesus your #1 priority. Girl, I love you to pieces. I sure wish my mom and dad were here. I know they would sure love to see how the Lord is blessing. I want to thank Mark Anderton for all he does. I praise the Lord for you and your willingness to serve along side me as you do. Thank you for being my friend all these years. Love you brother. I want to thank all those who support us in any way...words truly can not express how grateful we are. And I praise the Lord for my church family.

ABIGAIL MURPHY: First I thank God for my salvation and my gifts. I thank God for the opportunities He has given me to use my gifts to serve Him. I am thankful for my loving parents who support me and encourage me. I am thankful for my extended family and friends who have also supported me and this ministry. I am thankful that God has allowed me to be able to sing with my dad. I am thankful that God has allowed us to record once again. God has truly blessed this ministry and me personally! I am beyond grateful for God's mercy and love and that He allows

me to share that with others through our music.

MARK ANDERTON: First of all, I'd like to thank my Heavenly Father, who made all of this possible. I hope that these songs honor and lift you up always (John 12:32). Thank you to my sweet wife (Leanne) and my boys (Austin, Chase, & Connor), who support me and love me. That alone means so much. I'd also like to thank my parents. Without them, there's no possible way that I'd be where I am today. No words can ever express the Godly influence you had on my life. To my family, extended family, and church family, I love you all!! Thank you Jay. I appreciate your hard work, late nights, friendship, and most of all being willing to let God use you in so many ways to minister to others and the Godly influence you have to everyone around you.

SPECIAL THANKS: We want to thank Matt Butler for all his hard work on this project. Thank you for being patient with me and helping us make this project special. Thank you for all your efforts. You did an amazing, outstanding, awesome job and we are literally beside ourselves. Thanks for your vision for our project. And thank you for putting your heart and talents into it so beautifully. DEDICATION:

We want to dedicate this project to some very special people:

Jack Murphy / Paw Paw - Jay's dad, whom we lost in 2022. He was Jay's hero and there was nothing he could not do. A cowboy through and through that loved his Appaloosa horses and passed that love on to Abigail. He was a true man and loved the Lord more as time passed. He set the bar very high. A mark Jay strives daily to reach. He selflessly modeled manhood, kindness, giving till it hurts, and loving your neighbor. What a great day it will be when we are together again. We love you dearly.

James Anderton - Mark's dad, whom we lost in 2023. At the age of 16, he answered the call to preach and touched countless lives for 70+ years of ministry across several states. He left an amazing example and legacy to all who knew him, and especially his family. Even more than preaching, he loved to sing about his Heavenly Father and home where he now resides. We all miss him dearly and look forward to joining him again one day.
